With captivating videos and engaging narrative, *Life in America Online* offers a fascinating glimpse into the social history of the nation, covering everything from the foods people ate and the ways they dressed to entertainment and popular pastimes. From the beginnings of the country through a civil war and two world wars to the present day, each of the nine Learning Units in this eLearning Module examines a single period of time in American history and presents a remarkable array of valuable information. Support materials for students include timelines and information on key people of each era.

Learning Unit Chapters

Each eLearning Module is divided into Learning Units, displayed in chapters, with high-quality images, sidebars, in-text links, and dynamic citations. Support materials for each chapter are also conveniently located, allowing for seamless in-class integration. Learning Units in *Life in America Online* include:
