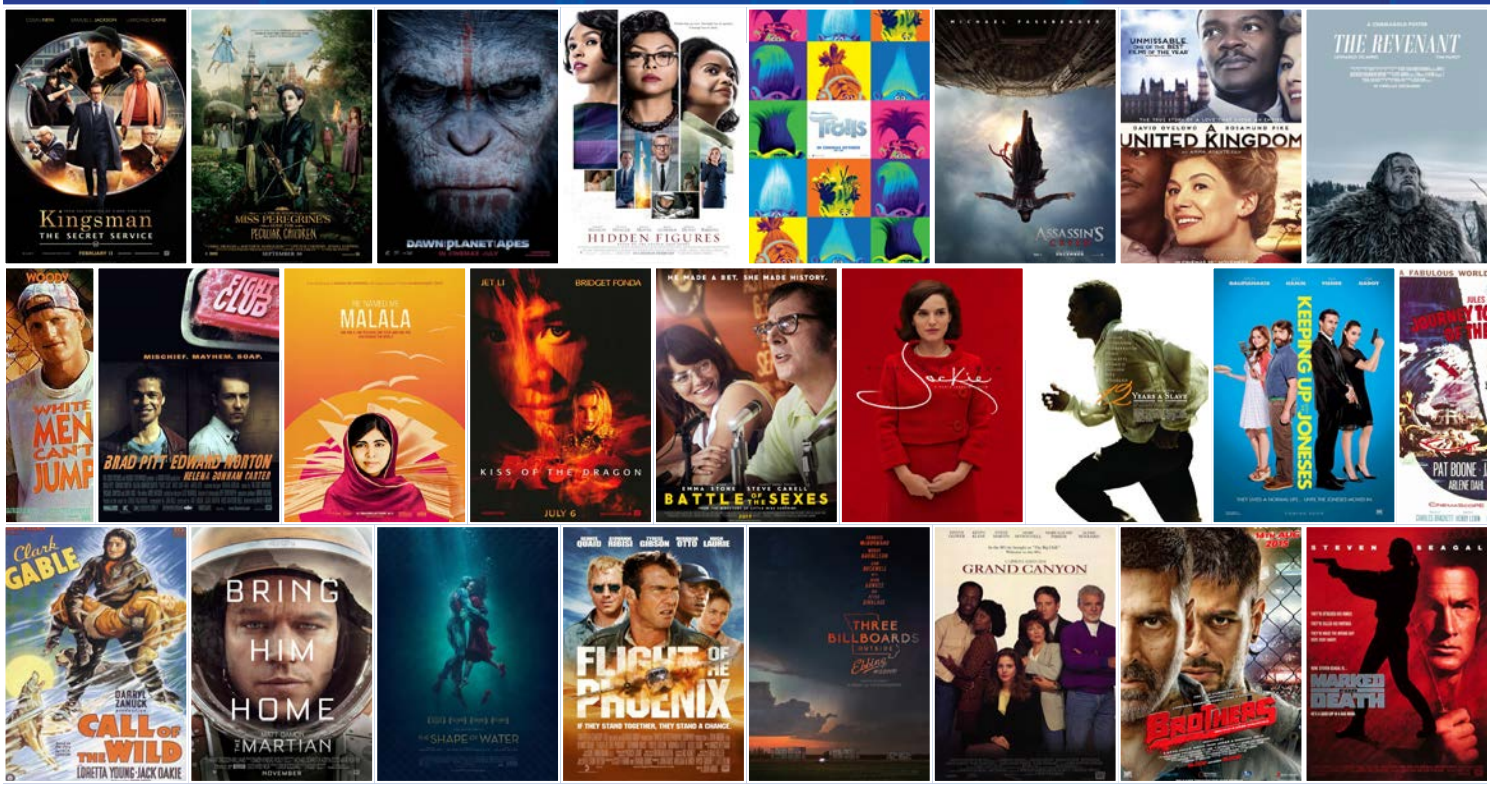
NEW!

Feature Films FOR EDUCATION

STREAMING VIDEO COLLECTION



Brought to You in Partnership with Global Eagle

More than 620 full-length feature films for classroom use!

FEATURE FILMS FOR EDUCATION

This outstanding collection focuses on both current and hard-to-find titles for educational instructional purposes, including dramas, literary adaptations, blockbusters, classics, Academy Award® winners, and more. Teach with the best Hollywood has to offer and harness the storytelling power of film as a tool for engaging and inspiring students. For even more streaming videos for the classroom, ask us about ***Films On Demand***.

Available only in the United States.

Highlights and features:

- New titles added twice a year
- More than 20 popular film genres
- Attractive movie poster images on the home page and easy-to-use search feature help users quickly find content
- Mouse-over effect displays brief description and page tools to save, share, and embed links
- Filter by MPAA rating, genre, and copyright
- Admin portal access to control and modify suppression rules
- Free MARC records for every video
- Technical and help center support
