New Content and Interface
With a dynamic new design, new and updated content, and exciting new features, *The World Almanac® for Kids* is the ideal one-stop reference resource for intermediate-level students. Brand-new modules and a wealth of new content have been added, along with interactive games, videos, and many other enhancements. Plus, the convenient new search filters make it even easier for students and teachers to find the content they need most.

The Reliable Resource for Student Reference
Erasing the line between homework support and fun exploration, *The World Almanac® for Kids* is a natural complement to the middle school curriculum. Each curricular topic area provides resources for homework, reports, and projects. Kids can explore age-appropriate topics while developing online research skills with an award-winning, trusted content source.
