History Research Center

FULL SCOPE OF HISTORY

History Research Center, the most authoritative resource for complete history coverage, includes *American History*, *African-American History*, *American Indian History*, *Ancient & Medieval History*, and *Modern World History*. Upgrade to all five databases for the ultimate history coverage and special bundle pricing.

The Entire Scope of American History —Complete Curricular Coverage

Our critically acclaimed *American History* spans our nation's history, with a user-friendly interface and award-winning content. By providing the most comprehensive range of information in one complete resource—subject entries, biographies, primary sources, videos and slideshows, images, timelines, and maps and graphs—*American History* offers a virtual library of American history for educators, students, and researchers of all ages.
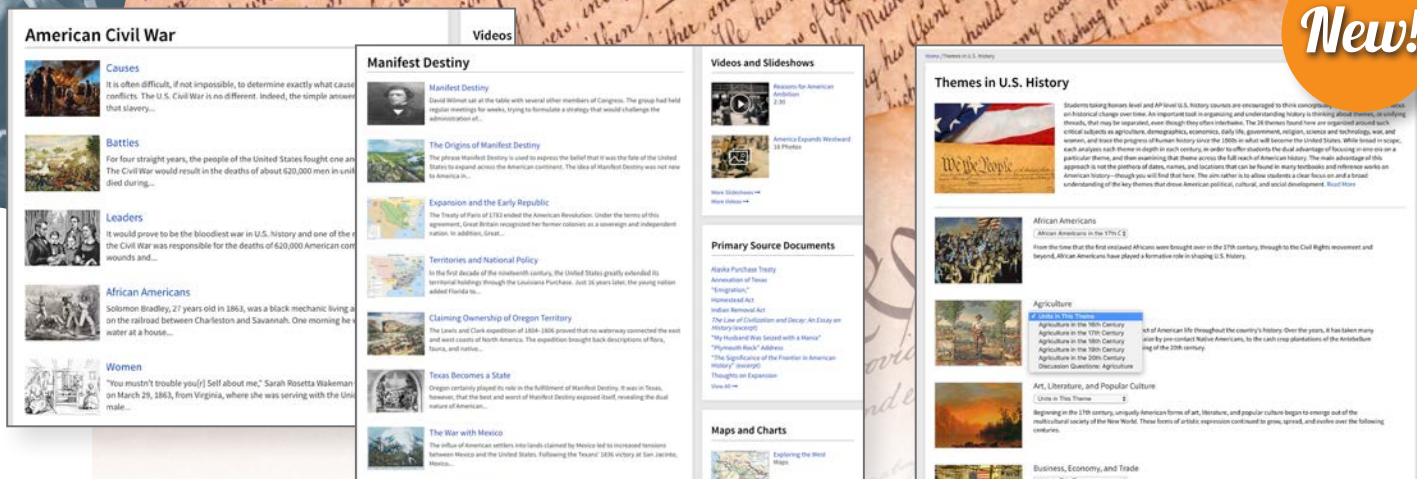

Highlights and Features:

- **Authoritative Source List:** Expertly researched and written content from a wealth of proprietary titles, including the latest edition of the award-winning *Encyclopedia of American History*

- **Easy Access to Relevant Content:** Key content is handpicked by our editors to inform research and provide guided entryways into the database, plus convenient links to key areas are at the top of every page

American History

HIGHLIGHTS AND FEATURES

New!

Editorially Curated Topic Centers: Specially selected content—including articles, slideshows, videos, and more—on **35+ different eras, themes, and milestone events of American history**, providing valuable study guides and entry points into the content

Themes in U.S. History: Essays exploring 26 major themes in American history century by century, fostering critical conceptual thinking and allowing students to focus on a particular theme in one era and then examine that theme across the full reach of American history. Discussion questions are included for each theme. Perfect for honors-level and AP classes that encourage students to think about themes, or unifying threads, that drove historical change over time

Plus—

- **Overview Essays:** substantial and thorough essays giving extensive background on relevant historical topics and eras

- **10,000+ Primary Sources**, many with introductions that provide context and background—perfect for document-based learning and strengthening critical-thinking skills

- **Book Chapters** from print titles written by noted historians, complementing the thousands of biographies, definitions, and other resources and allowing for original thinking—ideal for an in-depth study of a topic

- **Dynamic Citations** (MLA, Chicago, APA, and Harvard), with EasyBib export functionality

- **Curriculum Tools:** writing and research tips for students and educators

- **Slideshow Overviews:** original, SMART Board-friendly slideshows for a visual introduction to key topics

- **Timelines:** a detailed general timeline, plus numerous subject-specific and era-specific timelines

- Real-time, searchable Reuters® newsfeed

- Convenient A-to-Z topic lists

- Tag "clouds" for all content

- Searchable by Common Core, national, state, provincial, IB, C3 Framework for Social Studies, and College Board AP standards

- Search Assist technology

- A variety of integration options and partners, including Schoology, Canvas, and D2L

- Save to Google Drive

- Share to Google Classroom

- Read Aloud tool

- Google Translate

- Persistent record links

- Single sign-on with Google or Microsoft

- Users can set their default citation format, language, number of search results, and standards set for correlations

- Searchable Support Center with live help chat
