

Professional Development and Training Solutions

NEW!

ON-DEMAND, PROPRIETARY, AND INTERACTIVE COURSES AND MODULES THAT MEET INDUSTRY STANDARDS

What Is the Infobase Learning Cloud?

The Infobase Learning Cloud delivers professional development and training solutions designed to meet the unique needs of schools and districts—including college and career readiness, student engagement, and changing instructional practices. By providing teachers, staff, and students the resources they need to be confident and successful with unlimited access to our vast digital learning library, you can transform teaching and learning through focused professional development.

Educators Can Earn Professional Development Credit, Get Valuable Training, Utilize Their Own Content, and Assess Learning

Beyond its robust content library, Infobase's delivery platform provides the ability to upload courses an institution has already built in order to meet certain initiatives, including adding custom assessments. This new learning delivery platform offers a complete outcome-based learning framework where users can create, manage, distribute, assess, credential, and now advance through their careers.

HOW DOES IT WORK?

Infobase Learning Cloud's framework both enhances and personalizes online learning using four proven methods:

LEARN IT. *Learn from Best Practices.*
Professional learning on highly relevant topics.

DO IT. *Apply Learning to Life.*
Activities to apply learning to life—and the classroom.

SHARE IT. *Connect and Get Feedback.*
Collaborative tools to learn from other educators.

PROVE IT. *Demonstrate Learning.*
Assessments and resources to monitor progress.
