Professional Development and Training Solutions

Provide Solutions That Your Entire Institution Can Use

The Infobase Learning Cloud is an on-demand teaching and learning platform offering professional development, training, and information literacy solutions for academic institutions.

Students, faculty, and staff benefit from self-paced, customizable modules; comprehensive video educational content; and secure digital tools specifically tailored for your institution in a proven Learn It, Prove It methodology. Learners have the option to put what they learn into an effective self-guided assessment for each module or concept. Infobase Learning Cloud offers the content, tools, and training all members of the campus community need to advance in class, at work, and in their lives.

For Faculty

- ✓ LMS Training: Blackboard, Moodle, Canvas, and others
- ✓ Assessment tools to track student progress
- ✓ Upload custom modules and assessments
- ✓ Instructional strategies for online learning
- ✓ and much more.

For Staff

- ✓ Software & Technology Training: Microsoft Office, Google Suite, WordPress, Adobe, and others
- ✓ Career Skills Training
- ✓ Staff PD: Goal Setting, Time Management, and others
- ✓ and much more.

For Students

- ✓ Information Literacy Instruction
- ✓ Critical-Thinking Skill Building
- ✓ Career Readiness Training
- ✓ Social and Emotional Learning
- ✓ and much more.

Films On Demand

Outstanding, Curricular Video for Every Department on Campus

Student Benefits:

- ✓ Find inspiration and material for research papers and presentations
- ✓ Captioning and interactive, searchable transcripts
- ✓ Keyword tags for all content, linking to related material
- ✓ Follow up on a clip used by a professor in class and watch the rest of the video
- ✓ Get citations for all videos (MLA, CMS, Harvard & APA formats) with up-to-date citation creation & export
- ✓ View videos anywhere, 24/7
- ✓ Share, save, and organize videos and playlists

Library Benefits:

- ✓ A comprehensive, curriculum-focused video subscription providing unlimited access to thousands of videos
- ✓ Videos can be easily added to LibGuides, distance education courses, social media platforms, and LMSs
- ✓ Public performance rights and no copyright infringement worries
- ✓ Add your institution's custom video or YouTube content
- ✓ A robust administrative portal with enhanced reporting features

Faculty Benefits:

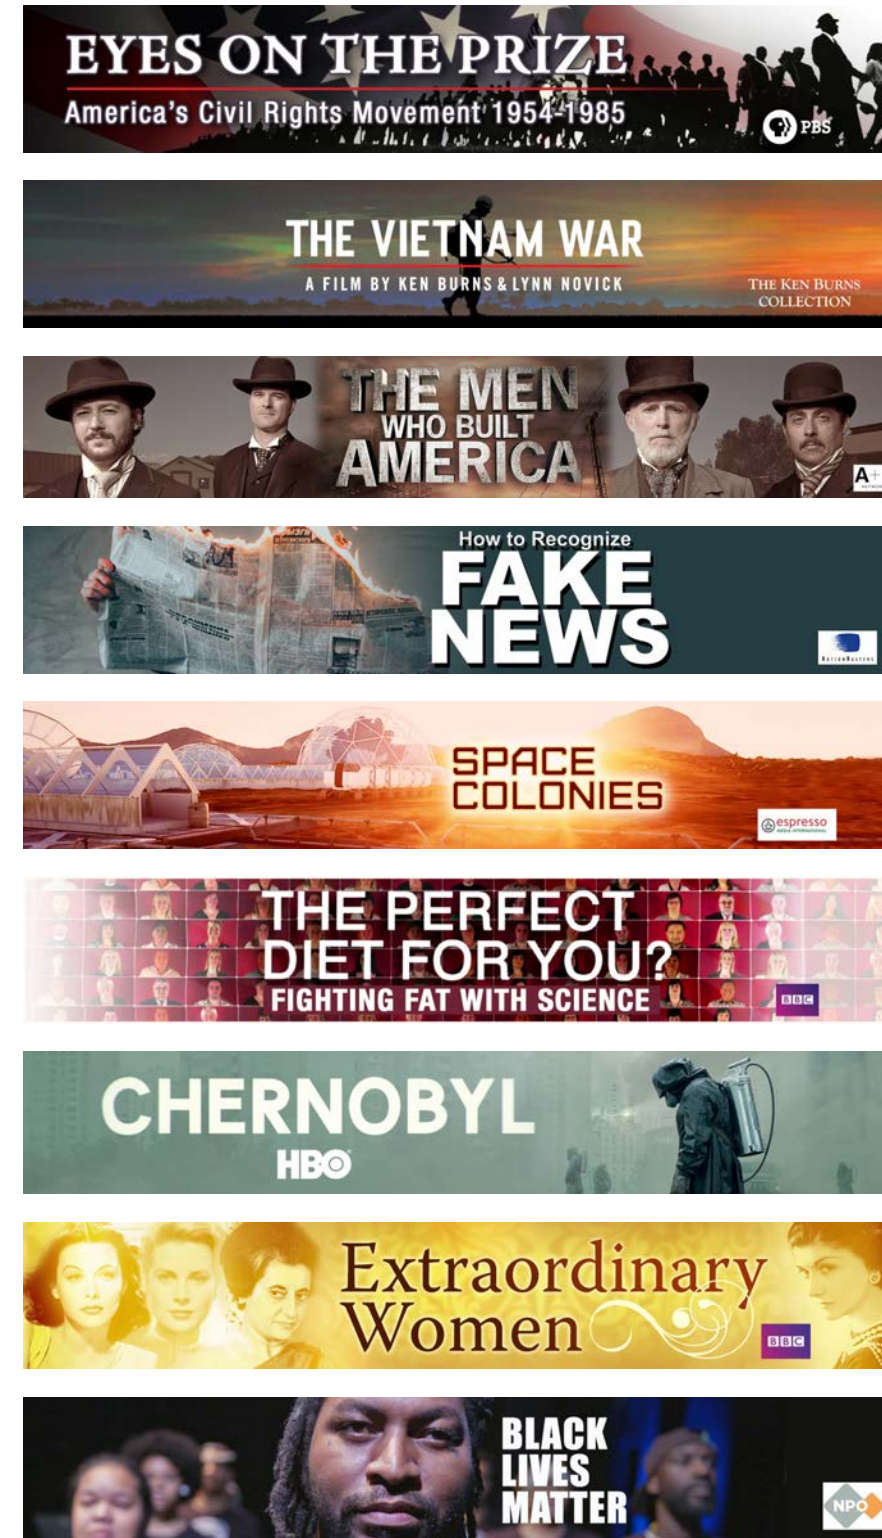

- ✓ **NEW!** Quiz Tool increases student engagement and assesses progress
- ✓ Stimulate or reinforce lectures or introduce a new topic
- ✓ Encourage open discussion on key issues and topics
- ✓ Embed persistent and authenticated video clips into course management systems such as Blackboard, Moodle, D2L, and Canvas
- ✓ Create and share playlists using premade clips, full videos, or custom segments
- ✓ Add a personalized video introduction to any playlist you create to provide an overview or give context

Films On Demand

Outstanding, Curricular Video for Every Department on Campus

Career-Focused & Exclusive Film Video Collections

Allied Health 400+ Titles

This collection will help prepare future allied health professionals for practice across a diverse range of health care settings, whether they are learning how to draw blood, administer medications, or help deliver a baby. The videos include titles from trusted producers such as Elsevier, NEVCO, Center for Phlebotomy Education, Classroom Productions, and others.

Nursing 1,120+ Titles

This important collection is designed not only to help nursing students excel in their studies and pass licensure exams, but also to prepare them for long-term job success in an increasingly complex health care system. It features titles from trusted producers such as Medcom-Trainex, Elsevier, Cengage Learning/Concept Media, NEVCO, Wolters Kluwer Health, Institute for Professional Care Education/Medifecta, and others.

Physical Therapy 275+ Titles

This collection will help physical therapy students learn and practice crucial techniques in ways textbooks alone cannot. These instructional videos from such trusted producers as Wolters Kluwer Health, Castalia Media, Healthy Learning, and PESI, Inc., cover a wide range of physical therapy interventions and examinations—from stretching techniques to wrapping a shin splint—and much more.

Veterinary 295 Titles

This collection is designed to help veterinary and veterinary tech students gain a strong foundation in animal anatomy, physiology, and behavior while learning basic veterinary procedures and an understanding of the workplace.

World Cinema 1,060+ films from around the globe

This unique collection includes the best of the silent era, groundbreaking international directors, masterpieces from the mid-20th century, and contemporary films from around the world. The collection shines a light on the history of cinema while also providing a glimpse into the cultures and issues of countries worldwide. All foreign language films are accompanied by English subtitles.

FILMS ON DEMAND

A curriculum-focused video subscription with unlimited access to thousands of titles

Comprehensive Master Packages

Master Academic Package
341,000+ video clips
45,000+ full-length videos / 28,000+ hours*

This comprehensive package includes the following core academic collections, which can also be purchased individually.

Anthropology	Criminal Justice & Law	Mathematics
Archival Films & Newsreels	Earth Science	Music & Dance
Area Studies	Education	Philosophy & Religion

Master Career & Technical Education Package
44,000+ video clips
6,400+ full-length videos
3,800+ hours*

An essential resource for any career center or counseling department, and a powerful tool for colleges offering associate degrees. Topics include:

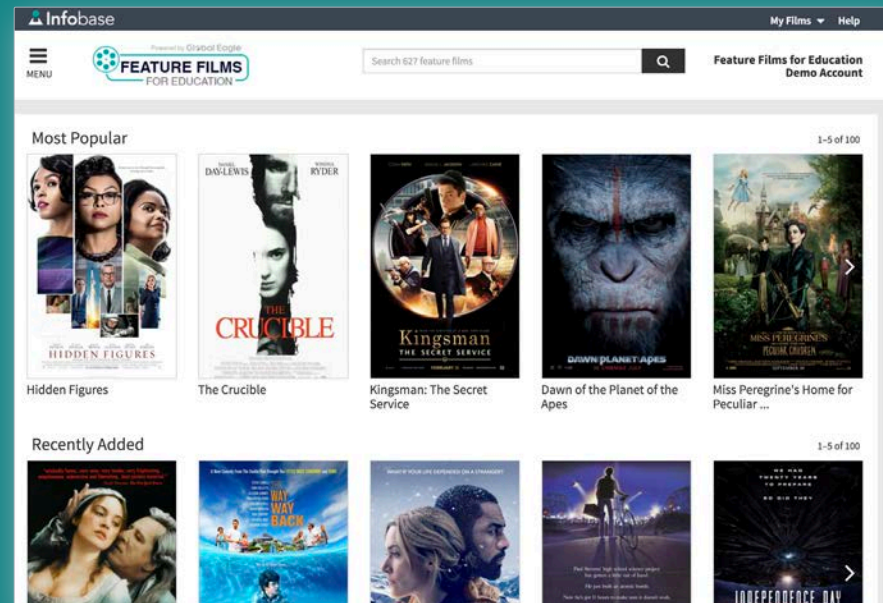

Careers & Job Search	Hospitality & Tourism
Computer Science & IT	Technical Education & Skilled Trades
Cosmetology	Visual & Performing Arts
Fashion Studies	Visual Communication
Guidance & Counseling	

Videos added regularly—free of charge—from outstanding producers including:

*Title counts are approximate.

Feature Films For Education

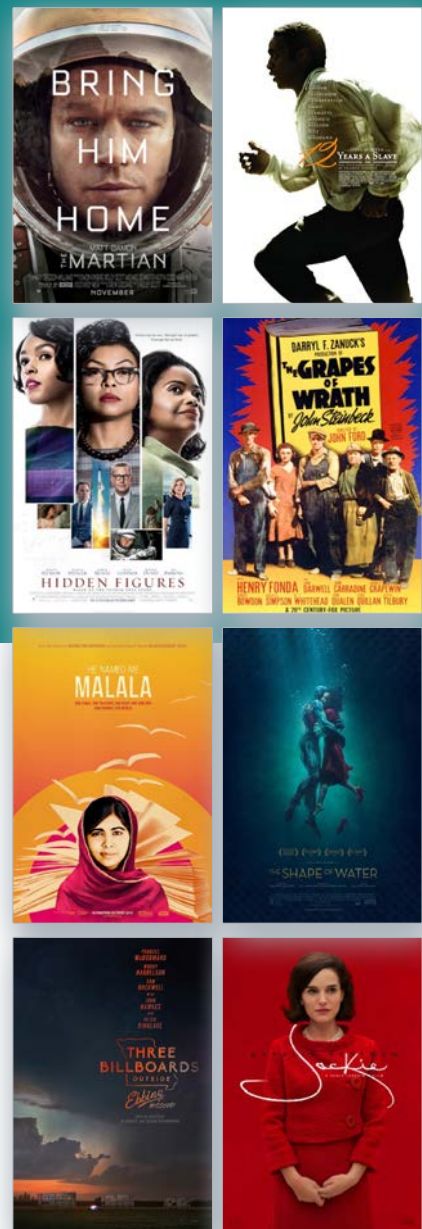

More than 685 full-length feature films for classroom use!

The *Feature Films for Education Collection* offers hundreds of full-length feature films for educational instructional purposes. Brought to you in partnership with Global Eagle, this high-interest collection focuses on both current and hard-to-find titles, including dramas, literary adaptations, blockbusters, classics, science fiction, environmental titles, foreign films, social issues, animation studies, Academy Award® winners, and more.

- ✓ **Teach with the best** Hollywood has to offer and harness the storytelling power of film as a tool for engaging and inspiring students
- ✓ **New titles** added frequently
- ✓ **More than 20** film genres
- ✓ **More than 90** Spanish-language titles included
- ✓ **Easy-to-use search** to quickly find content
- ✓ **Page tools** to save, share, and embed links
- ✓ **Filter by MPAA rating**, genre, and copyright
- ✓ **Admin portal** access to control and modify suppression rules
- ✓ **Free MARC records** for every video
- ✓ **Same-language subtitles**
- ✓ **Technical and help center support**

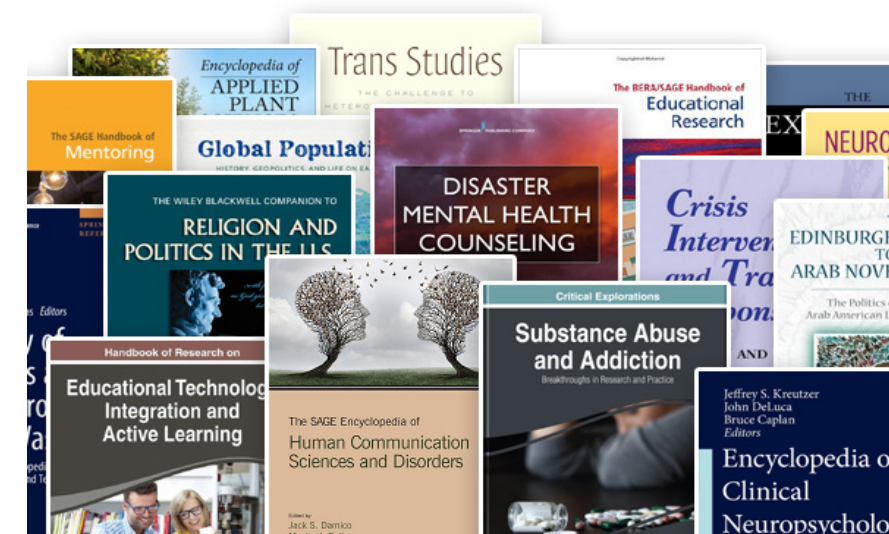

This collection is available only in the United States. Some Feature Films titles contain mature themes or content; viewer discretion is advised.

Credo Essentials eBook Collections

Credo's Essentials Collections offer access to award-winning, notable, and peer-acclaimed reference content. Available collections are curated by Credo, including seamless updating of titles, additions of newly acquired content, and weeding to ensure continued relevance. Essentials Collections are full text and searchable alongside the content in *Credo Reference*.

Highlights & Features

- ✓ **Citations:** MLA, Chicago, APA, and Harvard formats
- ✓ **Embeds:** Allows users to embed entries in their school's learning management system, virtual learning environment, or other guides/websites
- ✓ **Permalinks:** Record URLs make it easy for researchers to return to previously viewed pages and allow users to create "custom collections on the fly"
- ✓ **Integration options:** Content can be embedded into LibGuides or any LMS that supports iFrame, including Canvas, D2L, Moodle, and Blackboard
- ✓ **Google Drive integration:** Users can save entries to Google Docs
- ✓ **Export entries:** Users can print, save as a PDF, or email entries
- ✓ **Responsive design**
- ✓ **Accessible content:** Audio files and dictation of text content (downloadable in MP3 format) improve accessibility and provide different avenues for students to absorb information
- ✓ **Translations:** Text content is translated into 60+ languages

Information Literacy

– Health Science

Extend the Reach of Your Library's Health Science Instruction

Information Literacy – Health Science offers health science-specific instructional content to help students build foundational skills. The growing suite of online videos, tutorials, and assessments provides librarians and faculty with the tools needed to teach and assess foundational skills within the context of this quickly growing discipline. The ready-made instructional materials free undergraduate and graduate-level class time for more active practice and high-impact learning.

Customize instruction to suit your institution

How can *Information Literacy – Health Science* help you & your library?

- ✓ Teach undergraduate and graduate students essential foundational skills that are shown to positively impact retention, GPA levels, graduation rates, and overall student success
- ✓ Engage users with high-quality videos and tutorials on topics of profound importance to their current studies and lifelong goals
- ✓ Simplify collaboration with faculty by providing instructional content that is easy to embed in learning management systems and in LibGuides
- ✓ Save time and resources compared to creating materials from scratch and keeping them updated
- ✓ Devote more time to hands-on instruction by using multimedia to “flip the class”
- ✓ Assess student progress and adjust your instruction strategy based on reliable evidence
- ✓ Maintain accreditation requirements around information literacy and critical-thinking standards

Information Literacy

– Core

Extend the Reach of Your Library Instruction

Today's college students arrive on campus without well-honed foundational skills like information literacy and critical thinking. Creating high-quality, standards-driven instructional materials to cultivate these skills requires extensive time, staff, and technical expertise. *Information Literacy – Core* offers a solution to this growing problem, providing tools for libraries to conduct formalized ACRL and AAC&U-aligned instruction, both in person and online.

Customize instruction to suit your institution

The Full Scope of American and World History, in Five Cross-Searchable Resources

Available separately or as a bundle for maximum savings and coverage.

American History

American History covers more than 500 years of political, military, social, and cultural history, with more than 40 Topic Centers on eras, themes, and milestone events. Its Themes in U.S. History section explores 26 major themes century by century.

Ancient & Medieval History

Provides thorough coverage of world history from prehistory through the mid-1500s, with special Topic Centers on key civilizations, regions, and eras—plus region-by-region explorations of major themes in ancient and medieval history, ranging from agriculture to war and conquest.

Modern World History

Covers the broad expanse of world history from the mid-15th century to the present, with special Topic Centers on key regions and eras. The Themes in Modern History section explores 26 major themes in modern world history by era, including art and architecture, human rights, and transportation.

African-American History

Covering more than 500 years of the African-American experience, *African-American History* offers a fresh way to explore the full spectrum of African-American history and culture. Users can start their research with a video or slideshow overview or dig deep into an era or subject through the Topic Centers.

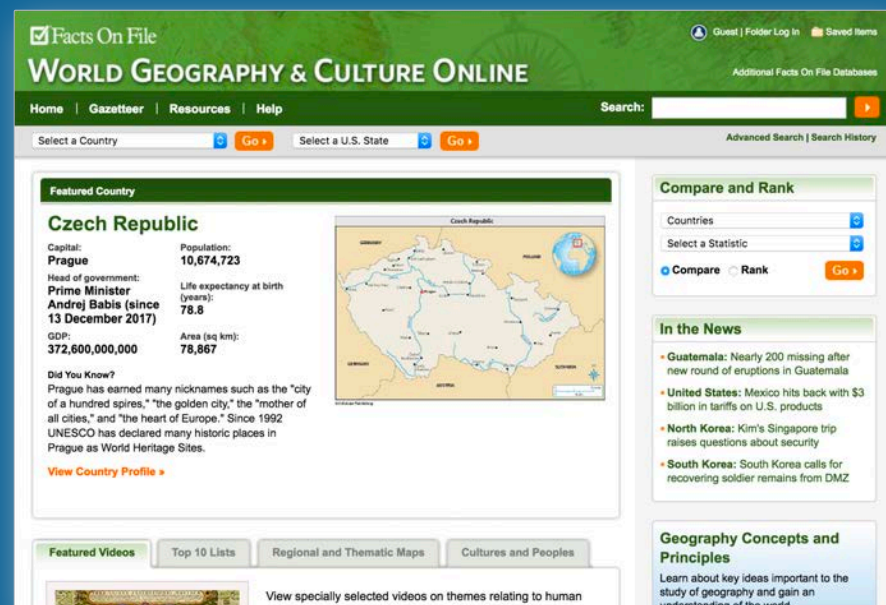

American Indian History

Covering more than 600 Native American groups, this award-winning database allows for an interactive, multifaceted look at the indigenous peoples of the Americas, with Topic Centers by era, subject, and culture area and an index of more than 200 tribes.

World Geography & Culture

Explores and Compares the World's Peoples and Places

✓ Extensive Country Entries

Descriptions of more than 200 countries, covering geography, people & culture, weather & climate, history, government & society; maps; facts & figures; and images

✓ U.S. State Profiles

Descriptions of all 50 states and Washington, D.C., with maps, flags, facts and figures, government information, biographies, timelines, and images

✓ Original, Easy-to-Read Maps

1,600+ political, elevation, and outline maps; city, state, and physical features maps; and more

✓ Compare and Rank Tools

Tools that compare and rank countries or U.S. states by a variety of criteria

✓ Videos & Audio Recordings

Including 200+ audio recordings of national anthems
